

Boys and Girls Club of Williams Lake & District: Community Information Update

A CURE FOR YOUR ISOLATION BLUES AND BOREDOM!

The Animals at the Williams Lake SPCA have come up with a unique way to boost giving in these unprecedented times. "Their solution?" To foster human households! "Are you at home from work, school and regular life?" and have some spare time? Are you missing key relationships in your life? Wouldn't your rather be wanting to spend time receiving our sloppy kisses, our continuous asks for belly rubs, feeding frenzies or taking us for walks? We Puppies, Kitties and Critters have taken it upon ourselves to ensure no one is left alone during this time. "Are you up for the challenge to become my companion on a temporary basis? If so, please register to be a Volunteer Foster Human Household at <https://spca.bc.ca/ways-to-help/volunteer/>

**YOU COULD BE THE
DIFFERENCE IN AN
ANIMALS LIFE!**

**Thank you WLSPCA, for finding
me my adopted family**
